## **ConTracks<sup>+</sup>**

.....  
The Contract Management Solution

# ConTracks<sup>+</sup> lets you order, track and manage all your contracts in one easy to use spot.

## Benefits for ESCs

- Easily maintain district profiles.
- Easily export data to excel for business and reporting purposes.
- Scheduling feature automates the contract availability dates and brings the contract online and offline automatically.
- Fully customizable with your logo and branding.
- Low cost to fit your budget.
- Training included.

## WHAT DOES IT COST?

### Software Cost:\*

\$5,000 base cost plus \$10 times the number of districts in your service area

### Optional Professional Services Cost:

\$50 times the number of districts in your service area

\* Includes training on how to use the system

## Benefits for Schools

- User friendly interface.
- Web-based shopping cart makes for easy contract management.
- All information is kept safe and secure.
- Contract options customizable at the district and campus level.
- Stores your history electronically for easy recordkeeping.
- Electronically sign and submit contracts.

### SHOPPING CART

Clients use a web based shopping cart to order new contracts or to manage existing ones.

### CUSTOMIZED

Include your logo and branding on a homepage customized just for you.

### DISTRICT PROFILES

Providers can easily maintain district profiles and formulate prices based on contract requirements.

### STORED ELECTRONICALLY

Contracts are stored electronically, giving you easy access to historical data anytime you need it.

### SEARCH

Built in search and filter capabilities allow for quick access to detailed information for clients and administrators.
